Coronavirus Disease 2019 (COVID-19) Situation Report
March 6, 2020 – 1900 hours
Report No. 8 (CDPH/Cal OES Joint Report)

Confidentiality Notice

This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the CDPH or Cal OES Executive Offices.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

Situation Overview

- Worldometers COVID-19 Live Updates - March 6, 2020 at 1500 hours: : 101,926 (+3,849) confirmed cases in 97 (+8) countries
 - 21,350 (+3,703) confirmed cases outside of China
- 3,466 (+110) deaths
 - 424 (+81) deaths outside of China

Number of Cases	Source
31 (+9)	Travel Related
4 (+1)	Person to Person Spread (healthcare worker)
15 (+6)	Person to Person Spread (other close contact)
10 (+1)	Community Acquired
4 (+2)	Under Investigation
64 (+19)	Total
24	Repatriation
88 (+19)	Total (CA + Repatriation)

California Persons Under Investigation (PUIs) Tested (as of MHCC report on March 6, 2020)

Positive	Negative	Pending
88 (+19)	303 (+57)	303 (+87)

Confirmed United States COVID-19 Cases - per Centers for Disease Control and Prevention (CDC) As of 0900 on March 6, 2020:

Number of Cases	Source
36 (+6)	Travel Related
18 (-2)	Person to Person Spread
110 (+61)	Under Investigation
164 (+65)	Total Confirmed Cases
11 (+1)	Total Deaths

- Data include both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan. State and local public health departments are now testing and publicly reporting their cases. In the event of a discrepancy between CDC cases and cases reported by state and local public health officials, data reported by states should be considered the most up to date.
- As of March 5, 2020, 1,583 patients had been tested at CDC. This does not include testing being done at state and local public health laboratories, which began this week.

COVID-19: Cases among Persons Repatriated to the United States = 49 Total

	Wuhan, China	Diamond Princess Cruise Ship
Positive	3	46

- Cases have laboratory confirmation and may or may not have been symptomatic.
- CDC's updates will now be regularly posted at noon Mondays through Fridays. Numbers close out at 4 p.m. the day before reporting.

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

Emergency Support Function – 5 (Emergency Management)

California Governor's Office of Emergency Services (Cal OES)

The Cal OES State Operations Center (SOC) activated March 2, 2020 at 0700 hours in support of the California Department of Public Health Medical Health Coordination Center (CDPH MHCC). Cal OES will continue to provide resource coordination to the COVID-19 event, as well as situation status reporting, and advance planning across multiple areas.

Emergency Management OA Reports

Santa Clara County

- Santa Clara County EOC is requesting a CDPH liaison to embed into their EOC.

Sonoma County

- The private Healdsburg School canceled classes on March 2, 2020 as a precautionary measure until further notice (approximately 200 students impacted).

Other

- Bay Area Rapid Transit (BART)
 - BART has stood up an internal Pandemic Task Force involving all BART Divisions, which meets on a Bi weekly basis.
 - BART has commenced additional cleaning measures such as wiping down all touch points and hand-contact surfaces both on trains and stations with hospital-grade disinfectant daily.
 - External Affairs has updated the BART website with public messaging and posted posters for public information:
(<https://www.bart.gov/news/articles/2020/news20200225>).
 - In the event of suspected or confirmed COVID-19 exposure on the system, BART will carry out these additional steps:
 - △ Enhanced Train Car Disinfecting
 - △ Activate crisis communication protocols and coordinate with PIOs of other transit operators and county public health agencies to develop Joint Information System protocols.
 - △ BART will activate the EOC and coordinate with MTC, DEM and Transit Agency partners on a regional unified response in consultation with the CDC, CDPH, and local public health departments.

Office of Tribal Coordination

- Cal OES Tribal Office is coordinating a Tribal Assistance Coordination Group (TAC-G) scheduled for Monday, March 9, 2020, at 1100. Information for the call will be sent out by close of business March 6, 2020.

Office of Legislative & External Affairs (OLEA)

OLEA, in coordination with CDPH and CHHS, have set a schedule of local, state, federal elected officials, and tribal leadership briefings/conference calls as follows:

- Monday, Wednesday & Friday (1300 target) for state, federal elected officials, and tribal leadership.
- Tuesday and Thursday (1600 target) for local elected officials in conjunction and coordination with League of California Cities and the California State Association of Counties (CSAC).

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

- State and federal elected officials briefing on March 5, 2020 at 1100 with a total of 198 participants.
- OLEA, in coordination with CDPH and CHHS, held a state and federal elected officials briefing on 3/6/2020 at 1700.
- OLEA will continue to disseminate COVID-19 discussion points and information each evening to elected officials and staff while responding to legislative inquiries as appropriate.

Public Information Office (PIO)

- NSTR

Joint Information Center

- On March 4, 2020, under the direction of Governor Gavin Newsom, the Department of Managed Health Care (DMHC) directed all commercial and Medi-Cal health plans regulated by the Department to immediately reduce cost-sharing to zero for all medically necessary screening and testing for the COVID-19. This includes waiving cost-sharing for emergency room, urgent care or provider office visits when the purpose of the visit is to be screened and tested for COVID-19. The need for COVID-19 testing is based on medical necessity, a clinical determination made on a case by case basis by medical professionals. A news release containing this information was distributed via CAHAN. Please find the full CDPH News Release at the following link: <https://www.cdph.ca.gov/Programs/OPA/Pages/New-Release-2020.aspx>
- News release: [State Health & Emergency Officials Announce Latest COVID-19 Facts](#)
- Issued statement on behalf of the administration on Grand Princess Cruise ship

Advanced Planning

- The State Operations Center (SOC) established a multi-agency advance planning team to develop countermeasure courses of action (COAs) to support response to the potential escalation of COVID-19. The workgroups finalized COAs by March 5, 2020 in the following areas:
 - Crisis Communications – Cal OES Communications
 - Sustaining Transportation Infrastructure/Supply Chain – Transportation Agency/Caltrans
 - Housing to support social distancing – GovOps/DGS
 - Commodities and Logistics – GovOps/DGS
 - Law Enforcement to support social distancing – Cal OES Law Enforcement
 - Health/Medical – CDPH

Office of Access and Functional Needs (OAFN)

- OAFN is conducting weekly COVID-19 calls with AFN community and government leaders. The calls enable whole community engagement, situational awareness, the identification of unmet needs, and opportunities for collaboration.

Cal OES International Affairs

- Consul Generals of Philippines, Japan, Mexico, United Kingdom, and Canada contacted International Affairs to request the names of foreign nationals on the cruise ship Grand Princess.
- Provided the Consul Generals the Government Affairs Point of Contact of the Princess Cruise ship so that they can directly request the list of their respective foreign nationals.
- Sharing intel with the Office of Foreign Mission (OFM) San Francisco and Los Angeles.
- The US State Department is sharing information with the Embassies. The SF and LA OFM will disseminate information with the local Consul Generals.

Emergency Support Function - 8 (Public Health and Medical)

California Department of Public Health (CDPH)

- The Medical and Health Coordination Center (MHCC) is activated at a Level 2. CDPH Richmond Campus Coordination Center (RCCC) Sciences Branch is activated to support and coordinate COVID-19 response activities, including a return traveler monitoring program. The Sciences Branch includes subject matter experts, scientists, clinicians and other functions that make up a clinical, laboratory, infection prevention, epidemiology, and surveillance.
- The MHCC Receiving Storing Staging (RSS) Mobilization Center is activated to respond to resource requests.
- The MHCC has received a total of 1,154 (+52) inquiries from local health jurisdictions and healthcare facilities. Inquiries are being forwarded to subject matter experts as appropriate.
- CDPH consulted with local health officials in Placer, Sacramento, San Mateo, Santa Clara, Solano, and Los Angeles Counties regarding contact investigations.

Planning

- CDPH continues to develop advanced pandemic planning.

Guidance

- CDPH is drafting the following guidance documents:
 - School Closure Guidance
 - Cancellation of Mass Gatherings Guidance
 - Individual / Social Distancing Guidance
 - Updated guidance for hospitals on infection control
 - Specifically, requirement for negative pressure isolation rooms

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

- [Recommendations to health insurance coverage for COVID-19 testing](#)
- [AFN guidance](#)
- Updated guidance for schools, child care, and colleges
- Updated screening posters for healthcare facilities
- Guidance for home isolation
- Guidance for deployed staff and infection control
- Interim guidance for state departments on COVID-19 in coordination with California Department of Human Resources (CalHR).

Laboratory Testing

- The State of California has requested an additional total of 21 kits from CDC to provide one kit to each local jurisdiction.
- 11 California public health labs are currently testing. The labs are: CDPH Viral and Rickettsial Disease Laboratory (VRDL), and Alameda, Contra Costa, Santa Clara, Tulare, Ventura, Los Angeles, Orange, San Diego, Sacramento, and San Francisco County labs.
 - VRDL will provide diagnostic testing for PUIs with a 48-hour turnaround time.
- Four California PHLs have test kits and are currently in the verification process. The labs are: Shasta, San Mateo, San Luis Obispo, San Bernardino county labs.
- Seven California PHLs are waiting for reagents/kits. The labs are: Solano, Sonoma, Humboldt, Monterey, San Joaquin, Long Beach City, and Riverside County.
- CDPH is continuing to draft guidance for LHDs for low risk exposures, including Westerdam cruise passengers, and will add it to the general risk assessment guidance.

Healthcare Delivery System

- [CDPH conducted a one-time conference call to update facilities on the latest in the response to COVID-19, on Friday, March 6, 2020 at 1600 hours.](#)
- [CDPH is approving provider program flexes as well as maintaining a master list and Tableau dashboard.](#)
- [CDPH continues to monitor, report, and respond to LHD questions regarding COVID -19.](#)
- [CDPH continues to monitor and forward PUI notifications sent to District offices to the MHCC.](#)
- [CDPH will establish a call center to field inquiries from the general public regarding COVID-19.](#)
- CHCQ continues to work with General Acute Care Hospitals (GACHS) to obtain information on their airborne isolation room counts.
- CDPH will continue to host weekly conference calls on Thursdays at 1300 hours to update Local Health Departments on the latest developments regarding COVID-19, the next of which occurs on Tuesday March 12, 2020.
- CDPH will continue to host weekly all facility/provider calls, the next of which occurred on Tuesday, March 10, 2020 at 0800 hours.

Emergency Medical Services Authority (EMSA)

- EMSA has posted interim EMS Guidelines for COVID-19 to the EMSA website. It can be found at: <https://emsa.ca.gov/wp-content/uploads/sites/71/2020/03/COVID-19-Memo-to-EMS-Partners-003.pdf>
- EMSA is working with Cal OES, CDPH, California Air National Guard (CANG), local jurisdictions, and other state agencies to prepare for any medical and transportation needs that may arise from the Princess Cruise ship arrival in San Francisco.
- EMSA continues to coordinate with all the RDMHSs for situational awareness and resource requests.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

- EMSA continues to assist with backfilling any RDMHS roles as needed.

Medical Health Operational Area Reports

Del Norte

- Del Norte has a basketball tournament this weekend and 64 teams are traveling from all over the west to Crescent City. We plan to allow them an opportunity to cancel the event if they wish, since it seems highly likely that we have community transmission in Del Norte.

Contra Costa

- Shifting from actions to contain COVID-19 to preparing for a sustained response, including consideration of future measures to limit and slow the spread of the disease in the community.

Los Angeles

- No community transmission has yet been identified within LA County.
- Long Beach Health and Human Services (LBHHS):
 - No confirmed cases of COVID-19 in Long Beach.
 - Monitor the current COVID-19 situation and any potential risk to the public health of the city, and prioritize vulnerable populations, healthcare workers, and community mitigation.
 - Monitor the travel, testing, and diagnostic guidelines as the situation evolves.
- Pasadena Public Health Department (PPHD):
 - Currently, there are no confirmed cases of COVID-19 in the City of Pasadena.
 - Monitor COVID-19 situation and potential risk to public health in Pasadena.
 - Ensure timely, appropriate, and accurate communication with the public, schools, healthcare providers, and other key stakeholders.

Marin

- Marin County Public Health is working with our hospitals and healthcare facilities to determine testing and PPE needs.
- A central testing location will be set up next week
- Marin County Public Health is centrally locating emergency supplies and taking inventory.
- Sonoma County has established an Incident Management Team within the Department of Health Services to monitoring the situation as it develops and to keep connected with our medical health partners. We have not opened the Health DOC in either Mendocino or Sonoma Counties.

Imperial

- Imperial County Public Health Department (ICPHD) personnel have been monitoring the situation including the investigation of PUIs and monitoring bi-national case investigations. Local Healthcare facilities are reporting an imminent need for additional PPE, particularly N95 respirators. Along with the threat of COVID-19, the County of Imperial routinely experiences a significant number of routine and bi-national tuberculosis cases that places an additional burden on PPE supplies.

Riverside

- Processing resource requests. Developing internal plans for response once there is community transmission occurring in the Operational Area. Public Information materials are being developed that are discipline specific.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

- o Also, we are reviewing triage strategies from other jurisdictions. We are also gathering information on planned large events in 2020 throughout the county.

San Francisco

- o Implement strategies to prevent infection in those who have the worst outcomes of the disease: Individuals age 55 and over; individuals with chronic disease.
- o Protect healthcare workers from infection, prioritizing those who are at highest risk for treating the most infectious cases.
- o Enact community mitigation efforts that will slow transmission.

Santa Cruz

- o Requests for PPE are coming in to the DOC.
- o Working with Health Care Coalition on preparedness activities.
- o Continue weekly Community Partners conference call, as well as medical executive weekly conference calls.
- o Prioritization of PPE requests continues.

Sierra

- o Continue to work with community stakeholders/partners; Sheriff's Office, OES, EMS, Clinics, Senior Centers, Schools, Businesses and HHS staff to mitigate the fear of COVID19 infections.
- o Clarified specimen collection and shipping procedures with Shasta Public Health Lab whom now has the ability to test for COVID19.

Yolo

- o Yolo County Public Health is currently monitoring and responding as needed to the COVID 19 outbreak.
- o Current priorities are mitigating disease spread, healthcare and community messaging, and monitoring/tracking active PUI and returning travelers.

California State Threat Assessment Center (STAC) Open Source Media Reporting

- STAC continues to monitor social media for significant public safety issues.

California Highway Patrol (CHP)

- NSTR

Other California State Agencies / Associations / Departments

Business, Consumer Services, and Housing Agency

- California Department of Consumer Affairs (DCA)
 - o NSTR

California Department of Finance (DOF)

- NSTR

California Department of Food and Agriculture

- NSTR

California Department of Education (CDE)

- On March 5, the CDE published a COVID-19 web page, <https://www.cde.ca.gov/ls/he/hn/coronavirus.asp>, and provided further guidance and resources to all county and district superintendents, charter school administrators, and principals.
- CDE is coordinating a call with the Governor's Office, CDPH, and the 58 County Superintendents of Schools to provide guidance for schools on Monday, March 9, 2020.

Coronavirus Disease 2019 (COVID-19)

Report Date:

3/6/2020

Report Time:

1900

California Department of Social Services (CDSS)

- NSTR

California Grocer's Association (CGA)

- CGA has reached out to a number of grocers across the state to assess impacts and operational challenges due to COVID-19 and consumer response. No issues anticipated at the moment.

California Governor's Office of Business & Economic Development (GO-Biz)

- GO-Biz continues to work closely with its partners across the state, and around the globe, to monitor ongoing business and economic issues. GO-Biz is sharing all reports directly with DOF for better coordination on economic impact messaging. Further, GO-Biz will launch weekly business outreach plans on Tuesday, March 10, 2020 with key statewide and regional organizations. Targeted conversations have been held this week with tourism and ports.

Overall Economic Impact

- Companies are facing large numbers of cancellations to their conferences.
- There are reports of companies issuing internal guidance to avoid all unnecessary travel, both international and US.

Trade/Freight Impact

- Global trade is hurting and the nation's busiest ports are being impacted due to the COVID-19.
- COVID-19 comes during continued fallout from the trade war. The US still has tariffs on approximately \$376 billion worth of imports, increasing annual consumer costs by \$77.9 billion. The COVID-19 has put any potential benefit from the Phase 1 deal on hold.

Tourism

- Visit California reports that the virus will cause a short-term reduction in visitation: a 27 percent decline in tourism from China in 2020 is expected.
- China is a critical market to tourism in California. Although it is too early to predict specifics, China will remain California's top overseas visitor market and a priority for Visit California's marketing efforts despite COVID-19 impacts.

Government Operations Agency

- NSTR

Labor and Workforce Development Agency (LWDA)

- **Employment Development Department (EDD):**
 - Provided a memo to LWDA for approval regarding Unemployment Insurance eligibility for claimants affected by the COVID-19.
- **Department of Industrial Relations (DIR):**
 - The Labor Commissioner's Office submitted final draft of FAQs to DIR and LWDA. FAQs are approved and posted: <https://www.dir.ca.gov/dlse/2019-Novel-Coronavirus.htm>
 - Outreach event canceled due to COVID-19 concerns.
 - "Workshop Presenters for the 40th State Migrant Parent Conference"-- The Santa Clara County Department of Health is recommending the cancellation of all events. Team participants were informed of the cancellation.
- **California Unemployment Insurance Appeals Board (CUIAB):**
 - CUIAB Inglewood Field Office employee requested information on any CUIAB cases of transmission of COVID-19 during hearings with respect to interaction with appeal parties. CUIAB has not had any cases of COVID-19 reported by its employees.

Coronavirus Disease 2019 (COVID-19)

Report Date:

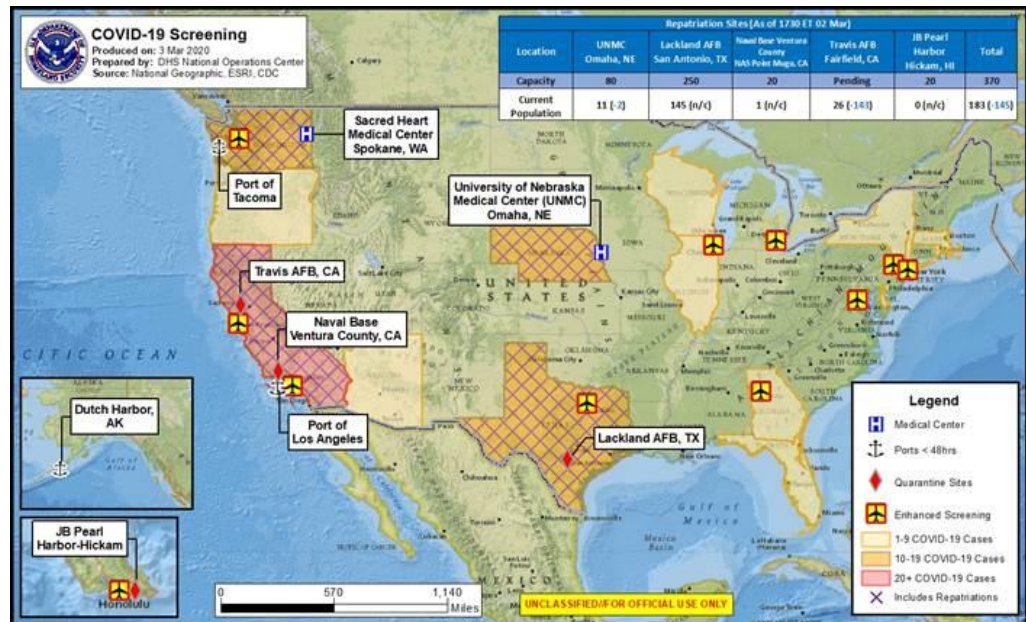

3/6/2020

Report Time:

1900

Centers for Disease Control (CDC) Actions

- CDC along with Customs and Border Protection (CBP) are continuing to conduct enhanced entry screening of passengers who have been in Wuhan within the past 14 days at 20 U.S. airports. Travel out of Wuhan has been shut down; the number of passengers who meet this criteria are dwindling.
- All flights from China are being funneled through eleven (11) US airports.

CDC Travel Advisories for COVID-19

Country	Travel Health Notice Level
China	Level 3 (Widespread sustained (ongoing) transmission and restrictions on entry to the U.S.)
Iran	Level 3 (Widespread sustained (ongoing) transmission and restrictions on entry to the U.S.)
South Korea	Level 3 (Widespread sustained (ongoing) transmission)
Italy	Level 3 (Widespread sustained (ongoing) transmission)
Japan	Level 2 (Sustained (ongoing) community transmission)
Hong Kong	Level 1 (Limited community transmission)

U.S. Department of State (DOS)

- Beginning Sunday February 2, 2020, at 1700 hours ET, the U.S. implemented the following temporary measures:
 - Any US citizen returning to US from Hubei province in the previous 14 days will be subject to up to 14 days of mandatory quarantine to ensure they receive proper health screening and medical care.
 - Any US citizen returning to the US from the rest of mainland China within the previous 14 days will undergo health screening at a select number of ports of entry and up to 14 days of monitored self-quarantine.
 - Foreign nationals other than immediate family of US citizens and permanent residents who have traveled in China within the last 14 days will be denied entry into the US at this time.
- Specific regions of both Italy, (Lombardy and Veneto) and South Korea, (Daegu) have also been issued a Level 4 (Do Not Travel) advisory due to widespread community transmission of COVID-19.
